- Fill out the enclosed Project Enhancement Grant Application form (attached)
- Obtain letters of recommendation from their current school principal and another individual who can attest to their abilities, professionalism, and commitment.

Funds will be awarded to the teacher at a meeting of the chapter's membership where the recipient will be asked to give a brief presentation of the project. All authorized projects should be completed by the end of the academic school year (June 2023). Exceptions to this time period must be approved in advance.
